Dear Kathi:

Each year the Pennsbury Partners Program (PPP) recognizes outstanding efforts and accomplishments of our partners, in keeping with the Pennsbury School District's strategic goal of "establishing collaborations and partnerships with the community-at-large to extend and enrich educational opportunities throughout the District."

On behalf of the PPP, I am happy to announce that S.A.G.E. has been selected to receive the PPP District-Non-Profit Partnership Award for the 2009-2010 school year for its partnership with Fallsington, Penn Valley and Quarry Hill Elementary Schools. Congratulations!

The Awards Ceremony will take place at the 11th Annual Pennsbury Partners Program Recognition Dinner on April 14, 2010, at William Penn Middle School beginning at 5:00 p.m. The presentation of the awards will begin at approximately 6:50 p.m.

We would like to ask that you prepare a statement of thanks (approx. 3 minutes or less). For your information, a slide show highlighting this partnership will also be presented. Following your comments, a posed photograph will be taken.

The Pennsbury Partners Program appreciates your organization's commitment to engage in collaborative partnerships with the Pennsbury School District. We look forward to seeing you at the Recognition Dinner.

Sincerely,

Christine Zervos, Ph.D.
